Villa Brandolini on Lake Maggiore

is a romantic and ancient abode. The large villa is furnished with antiques and modern design, counts a charming decorated inner patio sustained by pink granite columns, and is located in a historic terraced garden with a spectacular swimming pool overlooking the stunning Borromeo Gulf.

Villa Brandolini is an ideal place to relax and spend time with friends and family in one of the most spectacular settings in Italy, as well as somewhere to stay with a view to visit Milan or local treasures such as the botanic garden of the Isola Madre, or the Rococo Palace and garden of the Isola Bella, or the characteristic Isola Pescatori (Fishermen Island), or nearby charming Lake Orta with its convent

Activities

Golf lovers will find that there are two lovely courses nearby – the Alpino and the Iles des Borromees Golf Club.

Cyclists who wish to follow in the footsteps of their Giro d'Italia heroes can take their bike up the road on the same track that the Giro uses to reach the Mottarone climb, a 1500m ascent with spectacular views which starts from the Villa.

Surroundings

The enchanting little lakeside town of **Baveno**, next to Stresa, is of Roman origin, and is famous for its mineral water springs and its quarries of pink granite, and as a holiday resort.

The fine lakefront promenade offers a superb view of the Borromean Islands, which can be reached by boats leaving from Baveno harbour.

The architectural attractions of the town include the Parish Church of Santi Gervasio and Protasio and the Baptistery, which stand in a broad square accessed from Via Monte Grappa.

The beautiful nature, pearls of architecture and mild climate make **Stresa** one of the most popular tourist places of Lake Maggiore and of Italy. Stresa is an ideal base for the Borromean Islands, one of the main attractions of Lake Maggiore.
